

## Osage Innovative Solutions, LLC

An Osage Enterprise

FULL-SERVICE TECHNOLOGY SOLUTIONS FOR GOVERNMENT AND COMMERCIAL PROJECTS

### THE OIS ADVANTAGE

Osage Innovation Solutions is a Tribally-Owned 8(a) company and HUBZone-certified business providing IT services and solutions to government, telecommunications, aerospace, financial and gaming industries.

OIS technology solutions provide “best value” and focus on project delivery, efficiency and innovative technology. We specialize in managed services, continuing operations, disaster recovery and large-scale mission focused services to keep organizations performing on time and on mission. OIS also provides custom software development and cybersecurity services with an emphasis on hosted software solutions.

#### TESS: Telecom Essential Services Support

Government and commercial telecommunication experts with mission to achieve cost savings across all telecom services. We help organizations achieve meaningful savings with any national or local carrier through contract reviews and negotiations.
